Piranhas Swim Team

We invite all swimmers, beginners to age 17, and their families, to join the fun of competitive swimming. If your swimmer can "swim" a length of the pool and wants to swim fast and be part of the team, we encourage him or her to join. It is a great way to strengthen skills and become a better swimmer. For parents, it is a great way to meet some of the nicest families in the Club while cheering for our young athletes.

The registration fee is \$50 each child.

Registration fees cover various program costs, including daily swim instruction, and swim t-shirt.

Register your swimmer online at
